1. A German-constructed airfield is located about five kilometers south-southwest of Raciborz (Ratibor) approximately between the localities of Wolnowice and Bejanow (Kriegsbach). The field was taken over by the Soviets in the year immediately following the war. They abandoned the field in 1952-1953. No further air corps units were assigned to the field, but the field was enlarged somewhat and modernized. 25X1
2. At the end of July 1955 a Soviet air corps unit was assigned to the field. It allegedly came from Austria.
